Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at http://about.jstor.org/participate-jstor/individuals/early-journal-content.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

PHILADELPHIA:

PAUL C. STOCKHAUSEN, ENTOMOLOGICAL PRINTER.

1887.

# LIST OF PAPERS.

ASHMEAD, WILLIAM H. PAGE

On the Cynipidous Galls of Florida, with descriptions of new species and Synopses of the described species of North America . . . . . 125

Studies on the North American Chalcididæ, with descriptions of new species chiefly from Florida . . . 183

BRENDEL, EMIL, M.D.

Some corrections in the Family Pselaphidæ . . . 204

COQUILLETT, D. W.

Monograph of the species belonging to the genus Anthrax from America north of Mexico . . . 159

HOLLAND, Rev. W. J.

Notes upon a small collection of Rhopalocera made by Rev. B. C. Henry in the Island of Hainan, together with descriptions of some apparently new species . 111

HORN, GEORGE H, M.D.

A monograph of the Aphodiini inhabiting the United States . . . . . 1

Revision of the species of Lachnosterna of America north of Mexico . . . . . 209

# INDEX.

The names of new genera and of new species are followed by the name of the Author.
